Premier

The first occurred on Monday, the seventeenth of this month. Two weeks ago. Some ridiculously peculiar issue was turned to the authoritarian challenge of the decade.

My challenge to his authority was unwelcome, and incongruous. That's the theme.

We should be allies. We must seek diplomacy. That's a hook. Along with every other thing, including the sexual suggestions which might as well be the accidental course of habit.

The Doctor Jekyll and Mister Hyde is a bit grave.
